- Access to recommended Guideline Links
- Access to National Obstetric Anaesthesia Database (NOAD) results
- Pencilpoint (all current and past issues)
- Members' database

MEETINGS:

Three major meetings are held each year: in March, a one-day meeting in London on controversies/ case reports in obstetric anaesthesia; in early summer, a two-day scientific meeting at different venues, normally in the UK, on current research and practice (the Association's Annual General Meeting is held at this meeting); in November, a three-day course in London presenting the latest academic and clinical views on modern obstetric anaesthesia and analgesia. A Refresher Course is held every year as well as further occasional meetings on varied topics such as medico-legal practice, practical management and high-risk dilemmas. Details of all meetings are mailed to members and published on the OAA website.

CPD:

OAA meetings and courses are normally granted Continuing Professional Development (CPD) approval at the rate of 5 points for a full day and 3 points for a half day.

WEBSITE:

Current information on OAA meetings and activities may be found on the OAA website:

www.oaa-anaes.ac.uk

GRANTS:

OAA Research Grants and Fellowships are available via the National Institute of Academic Anaesthesia (NIAA) to support research in the field of obstetric anaesthesia in the UK and Ireland. The OAA also offers Travel Grants to assist participation in overseas educational meetings and a limited number of Bursaries to allow participation in the Three-day Course each year in London.
