

OAA Trainee Poster Competition 2020

This year we are introducing a new competition to design a poster that summarises the

Safety Guideline: Neurological Monitoring Associated with Obstetric Neuraxial Block

that was released in March this year.

This poster should be designed for the purpose of being displayed on a delivery suite/postnatal ward as an aid-memoire to staff.

Link to full guideline available here:

https://www.oaa-anaes.ac.uk/assets/_managed/cms/files/Safety%20guideline%20neurological%20monitoring%20associated%20with%20obstetric%20neuraxial%20block.pdf

Competition Details:

1. Entries are invited from any anaesthetic trainee of grade CT1 – ST7. Only **one** author per entry will be accepted.
2. All entries will be anonymised and judged by members of the OAA executive committee.
3. Your poster should:
 - a. Highlight the key messages from the guideline
 - b. Be creative & eye-catching
 - c. Use as few words as possible
4. Posters should be A4 size and submitted as a PDF saved as 'Trainee Poster Competition – your GMC number). Please include your **GMC number** on the **bottom left corner** of your poster only. **Neither your name nor your institution should be on the poster.**
5. Please email your poster as a PDF attachment to the OAA secretariat: secretariat@oaa-anaes.ac.uk with the completed submission form.
6. Winners will be contacted in September. Amazon voucher prizes of £100 (1st prize) and £75 (2nd prize) will be awarded to the winning posters. They will also receive free registration to the Obstetric Anaesthesia Update Webinar on Saturday 3rd October and their posters will be published on the OAA website.
7. Any queries should be emailed to the OAA Trainee Representative: Fiona.pearson7@nhs.net

Deadline for submission: **Midnight on Sunday 6th September 2020.**
