

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 1 – Governance

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
1	Digital follow-up in obstetric anaesthesia	Aboud, Zainab ; Meduoye, Ayokunle	1: Governance	Friday: 08:30 – 08:35	1
2	Accidental Dural Punctures (ADPs): Is Regularity of practice more important than experience?	Walker, Patrick ; Wadman, Harry; Gupta, Benjamin	1: Governance	Friday: 08:35 – 08:40	2
3	Regional anaesthetic alert bracelet: using audiovisual media as an education tool	Bunce, Alice ; Kozlowska, Paulina; Banks, Amelia; Mathers, Rachel	1: Governance	Friday: 08:40 – 08:45	3
4	Supporting labour analgesia choices for the Timorese community.	Love, Declan ; Blair, Alison	1: Governance	Friday: 08:45 – 08:50	4
5	Standardisation of PDPH data collection and documentation	Rathod, Riddhi ; Sivarajan, Boopathi; Mane, Rajan	1: Governance	Friday: 08:50 – 08:55	5
6	OAA Survey 1040: Anaesthetic management of artificial rupture of membranes in theatre	Powell, Eleanor ; Gott, Emily; Metodiev, Yavor; Leslie, David	1: Governance	Friday: 09:00 – 09:05	6
7	Challenges in achieving Anaesthesia Clinical Services Accreditation (ACSA) in labour ward at a busy district general hospital	Joglekar, Anupama; Nadella, Vijay	1: Governance	Friday: 09:05 – 09:10	7

8	Enabling birth choices in theatre: how comfortable do staff really feel?	Cutler, Laura ; Evans, Emma	1: Governance	Friday: 09:10 – 09:15	8
9	Development of a pathway for the follow up of neurological symptoms following obstetric anaesthesia - A multi-speciality task.	Bryson, Emma ; Jackson, James	1: Governance	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 2 – Haemorrhage

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
10	Retrospective review of women who received fibrinogen concentrate during treatment of postpartum haemorrhage at the Rotunda Hospital from 2019-2021	Tahir, Muhammad; O'Donovan, Rose Marie; Ní Áinle, Fionnuala; Burke, Naomi; Doherty, Anne; Drew, Thomas	2: Haemorrhage	Friday: 08:30 – 08:35	1
11	Thromboelastography (TEG 6s) use and interpretation on labour ward: a survey of current knowledge amongst junior anaesthetists.	Tumkur Lakshmikantha, Kanmani; Horncastle, Elizabeth	2: Haemorrhage	Friday: 08:35 – 08:40	2
12	A collaborative approach to achieving a change in practice: Implementing quantitative blood loss assessment at Birmingham Women's Hospital	Morgan, Aled; Riddell, Zoe; Cullis, Kerry	2: Haemorrhage	Friday: 08:40 – 08:45	3
13	Association between preoperative shock index and hypotension after spinal anaesthesia for non-elective caesarean section: a prospective cohort study.	Subedi, Asish; Silwal, Shirish; Bhattarai, Balkrishna; Singh, Satyendra Narayan; Ghimire, Ashish	2: Haemorrhage	Friday: 08:45 – 08:50	4
14	Cell salvage baseline confidence and knowledge survey	Hayes, Richard; Field, Richie; Chaudhry, Shirjeel; Osborn, Nicola; Choksey, Falguni	2: Haemorrhage	Friday: 08:50 – 08:55	5

15	An evaluation of anaesthesia for abnormally invasive placenta utilising interventional radiology	Whitehouse, John; Makam, Kaushik; Anderson, Susan; Taylor, Errol; Francis, Satya	2: Haemorrhage	Friday: 09:00 – 09:05	6
16	A review of the use of cell salvage in Queen Elizabeth University Hospital Maternity Unit, Glasgow	Milne, Gemma; Pettigrew, Tom	2: Haemorrhage	Friday: 09:05 – 09:10	7
17	Audit of the use of ROTEM in major obstetric haemorrhage in the The National Maternity Hospital	Egan, Maeve; Altaf, Ashan; Fitzgerald, Joan; Browne, Ingrid	2: Haemorrhage	Friday: 09:10 – 09:15	8
18	Postnatal venous thromboembolism prophylaxis - a survey	Murphy, Leonie; Campbell, Lynne; Medniuk, Abigail	2: Haemorrhage	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 3 – Teaching and Training

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
19	Successful implementation of Maternal Acute Illness Management (M-AIM) Course - experience in Mid Yorkshire Hospitals NHS Trust.	Horncastle, Elizabeth; Carroll, Stephanie; Lefley, Rose ; Langcake, Tracy	3: Teaching and Training	Friday: 08:30 – 08:35	1
20	'BATT' that epidural...A survey to evaluate a new epidural handover toolkit within Obstetric Anaesthesia.	Fazlanie, Lina ; Pillai, Arani	3: Teaching and Training	Friday: 08:35 – 08:40	2
21	Improving antenatal information on pain management in labour and delivery	Barnes, Jemma ; Kent, Stephanie	3: Teaching and Training	Friday: 08:40 – 08:45	3
22	Paramedian approach in neuraxial anaesthesia - a national survey	Moisin, Tudor ; Helme, Daniel	3: Teaching and Training	Friday: 08:45 – 08:50	4
23	Educating midwives in safe management of labour epidurals: design and delivery of a multi-modal learning session	Fox, Amy ; Fairless, Lynn; Rebecca, Parker	3: Teaching and Training	Friday: 08:50 – 08:55	5
24	Safer handover in obstetric anaesthesia	Auld, Fiona ; Moffitt, Peter; Clancy, Hannah; Aitken, Neill; Critchley, Julia; Collinson, Catherine	3: Teaching and Training	Friday: 09:00 – 09:05	6

25	Evaluating an obstetrical anesthesia grant proposal generated by Artificial Intelligence (chatGPT).	Oliveira, Fernanda SL; Massouh, Faraj; MacLean, David B; Margarido, Clarita B	3: Teaching and Training	Friday: 09:05 – 09:10	7
26	Ultrasound-assisted central neuraxial blockade in obstetrics- challenges and a quality improvement (QI) initiative, a DGH experience	Mawathage, Muditha; Gupta, Varun; Harb, Hisham; Narayanan, Madan; Armstrong, Sarah	3: Teaching and Training	Friday: 09:10 – 09:15	8
27	Quality improvement project to assess and improve patients knowledge of analgesia through labour and caesarean section.	Sutton, Matthew; Parker, Rebecca; Wheeler, James	3: Teaching and Training	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 4 – High Risk & Emergencies

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
28	Management of parturients with a vertebral body haemangioma - An OAA approved national survey.	Norman, Kathryn ; Logan, Neil	4: High Risk & Emergencies	Friday: 08:30 – 08:35	1
29	Perioperative management of patients undergoing incidental surgery during pregnancy	McCallum, Andrew ; Kearns, Rachel	4: High Risk & Emergencies	Friday: 08:35 – 08:40	2
30	Development of glucose-6-phosphate dehydrogenase deficiency (G6PD-D) guidelines for the obstetric patient	Stout, Anna ; Klauser, Alice; Wise, Arlene	4: High Risk & Emergencies	Friday: 08:40 – 08:45	3
31	Perioperative outcomes in surgical patients with preeclampsia	Unal, Busra Sara; DENNIS, ALICIA	4: High Risk & Emergencies	Friday: 08:45 – 08:50	4
32	Anaesthetic pre-assessment of obese patients in obstetrics: challenges in COVID recovery	Vila, Pierre ; Kumar, Roshmi	4: High Risk & Emergencies	Friday: 08:50 – 08:55	5
33	Parturient weight: is the problem getting bigger?	Grant, Helen ; Saeed, Amarah; Kearns, Rachel; Broom, Malcolm	4: High Risk & Emergencies	Friday: 09:00 – 09:05	6
34	Obstetric Admissions to the Intensive Care Unit in Malta over a six year period (2016-2021)	Duca, Kristina ; Attard, Nicole; Attard Cortis, Petramay; Abela, Glenn Paul	4: High Risk & Emergencies	Friday: 09:05 – 09:10	7

35	Obstetric admissions to Intensive Care in a district general hospital: a retrospective five-year review	Vickers, Laura; Jacobs, Robyn; Pai, Seema	4: High Risk & Emergencies	Friday: 09:10 – 09:15	8
36	The Influence of Epidural Analgesia on Systolic Blood Pressure, Obstetrical and Neonatal outcomes of Pregnant Women with Valvular Heart Disease	Užuotaitė, Rusnė; Krutulytė, Deimantė; Gulbinaitė, Eglė; Baliulienė, Vilda	4: High Risk & Emergencies	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 5 – Labour Analgesia

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
37	Caesarean section in labour and neonatal morbidity after epidural analgesia or remifentanil-PCA in breech and twin deliveries	Stopar Pintarič, Tatjana; Blajic, Iva; Graovac, Dragan; Becanovic, Dragica; Lucovnik, Miha	5: Labour Analgesia	Friday: 08:30 – 08:35	1
38	Labour epidural troubleshooting: An OAA approved survey (number 1027) of current practice	Kattimani, Chinmayi; Rathod, Riddhi; Qadri, Shabir	5: Labour Analgesia	Friday: 08:35 – 08:40	2
39	Programmed intermittent epidural bolus: a national survey of PIEB use and problems encountered.	Bell, Alison; Meagher, Alice; Canavan, Ciara; Melvin, Martina	5: Labour Analgesia	Friday: 08:40 – 08:45	3
40	An audit on indications for remifentanil PCA for labour analgesia leading to a quality improvement initiative -- looking back to pay it forward	Brosnan, Kieran; Kearsley, Rosemarie	5: Labour Analgesia	Friday: 08:45 – 08:50	4
41	Comparison of Epidural Infusion Methods for Labour Analgesia	Kedia, Ankit; Ellis, Reena; Philips, Anu	5: Labour Analgesia	Friday: 08:50 – 08:55	5

42	Entonox® unplugged; a cracking project. Usage of Entonox® in maternity with unplugging of Schrader valves at Leeds Teaching Hospitals Trust (LTHT).	Greenwood, Anna; Horncastle, Elizabeth ; Lewis, Elizabeth; Holt, Louise; Gilpin, Dan; Halsey, Tiffany	5: Labour Analgesia	Friday: 09:00 – 09:05	6
43	Programmed-intermittent epidural bolus regimen vs continuous epidural infusion. A retrospective, cohort study of motor block and obstetric outcomes.	Free, Ross ; Joyce, Craig; Calpin, Padraig; Browne, Ingrid; Ffrench-O'Carroll, Robert	5: Labour Analgesia	Friday: 09:05 – 09:10	7
44	Epidural analgesia during labour - 2021 Regional Hospital Service Quality Survey.	Krupova, Monika ; Irshad, Khalid; Page, Rory	5: Labour Analgesia	Friday: 09:10 – 09:15	8
45	Epidural top-up rates of obesity class three patients at Grange University Hospital	Traynor, Jasmine	5: Labour Analgesia	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 6 – Caesarean Section 1

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
46	The obstetric general anaesthetic - are we doing what we say we do?	Litvack, Lucie ; Keohone, Jill; Harper, Kathryn; Williamson, Roy	6: Caesarean Section 1	Friday: 08:30 – 08:35	1
47	Emergency general anaesthetic set up in delivery suite - a team work based approach.	McNicol, Sarah ; Cooper, Hannah	6: Caesarean Section 1	Friday: 08:35 – 08:40	2
48	An evaluation of the reasons for unsuccessful top-up of labour epidural analgesia for caesarean section	Parry, James ; Nawaz, Tooba; Lucas, Nuala; Richardson, Abigail	6: Caesarean Section 1	Friday: 08:40 – 08:45	3
49	Caesarean Sections: How painful are they when the block is 'working'?	Liddicoat, Patrick ; Gupta, Ben; Brooks, James	6: Caesarean Section 1	Friday: 08:45 – 08:50	4
50	Availability of total intravenous anaesthesia for pregnant people -- a survey of UK practice	Scale, Rachel ; Johnson-Hughes, Hannah; Metodiev, Yavor	6: Caesarean Section 1	Friday: 08:50 – 08:55	5
51	Factors associated with general anaesthesia in elective caesarean section	Evans, Annie; Myatt, Rona; McCallum, Andrew; Broom,	6: Caesarean Section 1	Friday: 09:00 – 09:05	6

		Malcolm; Shaw, Martin; Kearns, Rachel			
52	Preliminary findings from a post caesarean delivery pain core outcome set development study: is it time to shift our focus?	Ciechanowicz, Sarah ; Kim, Jennifer; Mak, Kay; Blake, Lindsay; Carvalho, Brendan; Sultan, Pervez	6: Caesarean Section 1	Friday: 09:05 – 09:10	7
53	Intrathecal opioids for planned caesarean delivery: a UK survey of practice	Wells-Cole, Eleanor ; Ciechanowicz, Sarah; Patel, Nisa	6: Caesarean Section 1	Friday: 09:10 – 09:15	8
54	Pain during Caesarean Section: Assessment, Management and Follow-Up in a Tertiary Maternity Hospital	Greene, Christine ; ffrench-O'Carroll, Robert; McMorrow, Roger	6: Caesarean Section 1	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 7 – Caesarean Section 2

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
55	Straight to theatre -- should women with a high BMI be offered caesarean section routinely?	Ledlie, Nicholas; Kumar, Anil	7: Caesarean Section 2	Friday: 08:30 – 08:35	1
56	Audit on On the day of surgery cancellations of elective cesarean section at Peterborough city hospital.	Dr Veerabadran, Sethu; Dr Palani, Prabavathy; Dr McDonnell, Kelly; Dr Sivanandan, Shiny	7: Caesarean Section 2	Friday: 08:35 – 08:40	2
57	Improving the safety and success of obstetric intubation with videolaryngoscopy: a quality improvement project in a tertiary obstetric unit	Moffitt, Peter; Ferguson, Cassandra; Critchley, Julia; Theodosiou, Catherine; Alexander, Nicki	7: Caesarean Section 2	Friday: 08:40 – 08:45	3
58	Neuraxial blockade during caesarean section; failure and intraoperative pain	Sidhu, Jasprit; Gordon, Camilla; Wong, Danny; Desai, Neel	7: Caesarean Section 2	Friday: 08:45 – 08:50	4
59	Impact of offsite teams on anaesthetic time and decision to delivery interval in category one caesarean deliveries	Mai, Linda; Law, Henry; Sutherland, Sian; Wood, Harriet	7: Caesarean Section 2	Friday: 08:50 – 08:55	5

60	Understanding Patient Experience of elective Caesarean Section -- an exploratory mixed method study utilising Patient Shadowing	Hughes, Emma ; Brady, Sinead; Tan, Terry; Popivanov, Petar	7: Caesarean Section 2	Friday: 09:00 – 09:05	6
61	Starvation before caesarean delivery -- do we meet the standards?	Radwan, Ahmad ; John, Ancy; Bajpay, Yash; Malachy, Columb; Bhatia, Kailash	7: Caesarean Section 2	Friday: 09:05 – 09:10	7
62	Evaluation of electronic record monitoring following implementation of neuraxial morphine for caesarean section in an Australian suburban hospital	Copas, Joshua; Sutherland, Sian ; Wood, Harriet	7: Caesarean Section 2	Friday: 09:10 – 09:15	8
63	Spinal Anesthesia for Cesarean Section in High Altitude and Low Altitude: A Comparative Cross-Sectional Observational Study.	Bhattarai, Ramesh ; Acharya, Samir	7: Caesarean Section 2	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 8 – Cases 1

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
64	Combined spinal epidural anaesthesia for caesarean section for a parturient with moyamoya disease and sickle cell disease	Gallop, Felicity ; Hart, Sarah; Skelton, Vanessa	8: Cases 1	Friday: 08:30 – 08:35	1
65	Little women - coming up short on equality?	Jothiraj, Haren ; Sun, Ruoyi; Russell, Katherine; Sodhi, Vinnie	8: Cases 1	Friday: 08:35 – 08:40	2
66	Neuropraxia injuries following central neuraxial blockade in obstetrics	Dhorat, Zainab ; Munshi, Sabah; Boothroyd, Kate	8: Cases 1	Friday: 08:40 – 08:45	3
67	A parturient with hypermobile Ehlers-Danlos Syndrome demonstrated a normal response to intrathecal, but no response to epidural local anaesthetic.	Mawathage, Muditha ; Thirumaran, Nixon; Govindarajan, Sridhar	8: Cases 1	Friday: 08:45 – 08:50	4
68	Presentation and management of a rare intracranial embryonal tumour in a term pregnant patient	Chan, Tak; Crossingham, Gemma	8: Cases 1	Friday: 08:50 – 08:55	5

69	Nifedipine induced acute submandibular swelling.	Skelly, James Richard; Prabhu, Satheesh; Griffiths, John; Halder, Suni	8: Cases 1	Friday: 09:00 – 09:05	6
70	Coagulopathy and placentitis complicating COVID-19 infection in the obstetric population	Nicholas, James; Roberts, Fleur; Wise, Arlene; Blair, Alison; Mathers, Rachel; Jones, Rhidian	8: Cases 1	Friday: 09:05 – 09:10	7
71	A case report of acute fatty liver in pregnancy	Aitken, Thomas; Hall, Rachael; Pettigrew, Tom	8: Cases 1	Friday: 09:10 – 09:15	8
72	Case Report of patient with autoimmune angioedema and sacral nerve stimulator: anaesthetic considerations in the obstetric patient	Collins, Joanna	8: Cases 1	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 9 – Cases 2

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
73	Case reports of functional neurological disorder after spinal anaesthesia for lower segment caesarean section	Hope, Katrina ; Collins, Joanna; Condry, Jerome	9: Cases 2	Friday: 08:30 – 08:35	1
74	Successful MDT management of stress induced anaphylaxis complicating labour and delivery	Roberts, Fleur ; Wibmer, Lucy; Stern, Victoria	9: Cases 2	Friday: 08:35 – 08:40	2
75	Peripartum cardiomyopathy and hypermobility syndrome	Stevenson, Sara ; Breckenridge, Fiona	9: Cases 2	Friday: 08:40 – 08:45	3
76	Anaesthetic management of caesarean delivery in a renal transplant rejection patient	Tageldin, Noha ; Ito, Yoshimi; Machineni, Vishnu	9: Cases 2	Friday: 08:45 – 08:50	4
77	Anaesthetic implications of vasovagal syncope type 2b in a parturient undergoing caesarean section	Yapa Abeywardana, Charaka ; Sabaretnam, Suganya	9: Cases 2	Friday: 08:50 – 08:55	5
78	Sudden intraoperative headache: Management of a presumed case of reversible cerebral vasoconstriction syndrome (RCVS) for planned Caesarean section	Kar, Girish; Sandhu, Jayadeep ; Barclay, Philip	9: Cases 2	Friday: 09:00 – 09:05	6

79	'Pseudo-successful lumbar puncture': Could it be a case of Tarlov's cyst?	Lokhandwala, Rashida; Abayasinghe, Chamika	9: Cases 2	Friday: 09:05 – 09:10	7
80	The curious case of the leaking fluid from epidural puncture site: Empirical management of this diagnostic dilemma.	Seddon, Dale ; Baille, Hamish; Sauer, Hans	9: Cases 2	Friday: 09:10 – 09:15	8
81	Pulmonary embolism in a parturient: A diagnostic and management dilemma	Kothari, Tejal ; Dewan, Preeti; Gupta, Rekha; Sethi, Shilpi	9: Cases 2	Friday: 09:15 – 09:20	9

ePoster presentations (2nd Session)

Friday 19 May – 08:30-09:30

Board no. 10 – Cases 3

Poster Number	Title	Presenter (in bold)	Board number	Presentation date/time	Order
82	Refractory hypertension of 250 systolic of unclear aetiology and proteinuria	Sked, Hannah ; Ward, Rhian; Crossingham, Gemma	10: Cases 3	Friday: 08:30 – 08:35	1
83	Subcapsular Hematoma --A rare complication of HELLP Syndrome	Ahmed, Sara ; Higgins, Nikki	10: Cases 3	Friday: 08:35 – 08:40	2
84	Neurosarcoidosis in pregnancy	Carnie, Roslyn; Connelly, Arlene	10: Cases 3	Friday: 08:40 – 08:45	3
85	Accidental administration of 30,000 IU of unfractionated heparin during an elective lower segment caesarean section for placenta praevia	O'Connor, Ben ; O'Donoghue, Andrew; Drew, Thomas; Hayes, Niamh	10: Cases 3	Friday: 08:45 – 08:50	4
86	Undiagnosed severe aortic stenosis with associated valvular thrombus presenting for elective caesarean delivery	Brosnan, Kieran ; Drew, Thomas; Thornton, Patrick	10: Cases 3	Friday: 08:50 – 08:55	5
87	Multidisciplinary management of marfan syndrome in pregnancy	Azize, Marco ; Volikas, Ingrid; kosheleva, Irina	10: Cases 3	Friday: 09:00 – 09:05	6

88	Combined Spinal Epidural Anaesthesia for Caesarean Section in a Parturient with Dilated Cardiomyopathy	Greene, Christine ; O'Brien, Marguerite; Canniffe, Carla; Browne, Ingrid	10: Cases 3	Friday: 09:05 – 09:10	7
89	The international patient with mixed mitral valve disease - a case report	Graham, Laura ; Neely, Julia; Haddon, Richard	10: Cases 3	Friday: 09:10 – 09:15	8
90	Dual Pathology-A Case Report	Ahmed, Sara ; Murray, Eoin; Calpin, Padraig; Higgins, Nikki	10: Cases 3	Friday: 09:15 – 09:20	9
